COMMISSIONER FOR PATENTS Washington, D. C. 20231

Dear Sir:

ir:

This responds to the Office Action dated October 7, 2002. Please amend the above. identified application as follows.

IN THE CLAIMS

The following is a clean version of the entire set of pending claims. In accordance with 37 CFR § 1.121(c)(1)(ii), Attachment A provides marked up versions of the claims containing the newly introduced changes.

9. (Amended) A method of forming a light emitting device, the method comprising:

forming a first semiconductor layer of a first conductivity type and having a first surface;

forming an active region over the first semiconductor layer, the active region including a second semiconductor layer, the second semiconductor layer one of a quantum well layer and a barrier layer, the second semiconductor layer formed from a III-Nitride semiconductor alloy having a composition graded in a direction substantially perpendicular to the first Serial No. 09/912,589
